THE WILLIS NURSERY COMPANY

WHOLESALE NURSERYMEN
OTTAWA, KANSAS

Terms and Conditions of Sale.

PRICES in this list cancel all previous prices and are subject to change without notice. For long and much assorted orders calling for only a few plants of each kind, it will be necessary to make an additional charge of 10 to 25 per cent.

TERMS—Regular terms to those of known responsibility; otherwise cash or security before shipment. Orders for C. O. D. shipment must be accompanied by one-third cash. We grant a discount of 2% when payment in full accompanies order. This does not apply to C. O. D. shipments. Packing is charged for at cost in all instances, excepting bulk carload shipments for which we make no packing charge.

SHIPPING—Please tell us how to ship your order, whether by freight or express, stating the route if you have a preference. In the absence of definite instructions, we will forward the way we think best, without assuming responsibility. All shipments travel at the expense and risk of the purchaser. We are served by the Santa Fe and Missouri Pacific railroads.

We give no warranty, expressed or implied, as to quality, life or productiveness of stock we sell. It is mutually agreed that our liability for stock proven untrue to name shall be limited to replacement or refund of original purchase price. All contracts subject to crop.

CLAIMS—All claims for any cause must be made immediately upon receipt of goods. We will not entertain claims which are filed after goods have been accepted or if not made within five days after arrival of stock.
